BION-2200

Bionix Light source
single use

Handle for **Bionix** Lighted Safe Ear Currettes. **Bionix** has combined the safety of their single-use ear currettes with a powerful LED light source and a magnification lens creating visualization in what has typically been a blind procedure. This design gives you the ability to handle even the most difficult cerumen removal procedures with confidence and enhanced patient safety.

Features:

- **LIGHT ATTACHMENT:**
the Bionix LED lighted source attaches to any of our signature lighted currettes and improves procedural accuracy.
- **FLEXIBLE AND STRONG:**
lighted ear currettes allow gentle cerumen removal from ear canal
- **THE SAFE OPTION:**
This curette tool kit offers visibility on earwax removal, which is typically a blind procedure.
